

Once again this year, we will be supporting the efforts of high school guidance counselors by offering Financial Aid Night Programs throughout the state at approximately ten locations during December, January and February. These sessions will be hosted by several high schools in each of Delaware's three counties, and counselors are asked to encourage families to attend regardless of which high school their students attend. We will be asking for volunteers to present at each program in the very near future.

Planning continues for College Goal Sunday 2005 being hosted by Delaware State University. We will need quite a few volunteers to make this program a continued success, so our colleagues are encouraged to help the local arrangements team and volunteer a few hours of their time to support this worthy activity.

Best wishes to all of our financial aid colleagues for a fulfilling and fun year!
