

Delaware State Report
January 30, 2005

Since our last meeting which was held during the DE-DC-MD ASFAA Conference in Ocean City MD, the members of DE ASFAA have not met. Individual discussions were held, email and telephone correspondence was conducted as needed for financial aid night and College Goal Sunday activities. A meeting is tentatively being planned for late February.

Financial Aid Nights: thus far, attendance at these programs has been fair. After all programs have been conducted, it is hoped that members will meet to discuss the future of these programs and how we might encourage greater attendance.

College Goal Sunday 2005: update will be provided in next report due to simultaneous occurrence of this event and the first day of EASFAA Council's winter meeting.

EASFAA Mentoring Program: an email will be sent shortly to Delaware members of DE-DC-MD ASFAA asking for nominations.

Respectfully submitted,

Chris Koterba
Delaware President
