After a lovely lunch (thanks Gene and Jerry for running the grill and Rachel for the hospitality) Rachel went over the 2004-2005 activities. She also thanked the 04-05 committee and gave out very nice clocks.

Stephanie started by introducing the 05-06 committee and welcoming our new volunteers.

Stephanie explained that our budget would be cut from \$6500 to \$5000 so activities would have to be looked at more careful. The 04-05 activities were talked about and how much activity cost.

We also talked about old activities we would like to see continued as well as new activities.

- You Can Afford College- Pat explained how MPT will most likely not host this year. It was suggested to try and get a school to make a new video and have a campus play it on their channel (Aristeia said MC had one) or Pat's station.
