MD Committee Report

Greetings from the MD Committee:

Since our last meeting the following event occurred:

Bill to Law Day took place on Tuesday, February 28. There were 11 participants. The group met at MHEC where Andrea Mansfield and Karen Price talked about the legislative process including how a bill is introduced and the steps it goes through. We also got a Deficit Reduction Act update from Beth McSweeney.

After this the group went to lunch in downtown Annapolis where we met with Delegate Rudolph from Cecil County. Finally the group got to sit in briefly on a session.

Our last event for the year will be our **Spring Networking Event** on Friday, June 9. This will be a Bowie Baysocks game. Participation is limited to 50 people and will be open up first to just FA folks. Look for Tristate listserv emails regarding this event shortly.

This has been a great year and I look forward to another two great years with the MD committee!
