

## **MD ASFAA End of Year Report**

I would first like to thank the members of my committee. Without their hard work, none of the events would be possible:

Brittany Benton (CCBC), Diahann Greene (Citibank), Jerry McKeen (MHEC), Beth McSweeney (PNC), Karen Price (Edamerica), Pat Shoemaker (AACCC)

We hosted the following events for 06-07:

HS Guidance Counselor Workshops- 6 sites, 1 webcast  
Fall Networking Event- Bowling  
You Can Afford College  
Bill to Law Day

The committee will be hosting a Summer Networking Event- Bowie Baysox on June 29 and a summer volunteer event at Maryland Food Bank July 14.

I look forward to serving the Tristate Association for 07-08. We will be continuing to host the events above while trying to establish new ones. I will be asking for new volunteers to join the committee as well as volunteers to step up and run for President for next year.

Sincerely,

Stephanie Bender  
MD ASFAA President
